California Department of Conservation

FARMLAND MAPPING AND MONITORING PROGRAM

SOIL CANDIDATE LISTING

for

PRIME FARMLAND AND FARMLAND OF STATEWIDE IMPORTANCE

AMADOR COUNTY

U.S. Department of Agriculture, Natural Resources Conservation Service, soil surveys for Amador County include:

Soil Survey of Amador Area, September 1965

Beginning in 2002, SSURGO digital soil information has been incorporated into the Amador County Important Farmland Map. Prior versions of the map have not been modified.

The SSURGO data includes Amador Area (published 9/30/2003).

For more information on the NRCS SSURGO data, please see: http://www.ftw.nrcs.usda.gov/ssur_data.html
